The author's name or a book with a single author's name appears in last name, first name format. The basic form for a book citation is:

Medium of Publication.

Book with One Author

Gleick, James. *Chaos: Making a New Science*. New York: Penguin, 1987. Print.

The first given name appears in last name, first name format; subsequent author names appear in first name last name format.

If there are more than three authors, you may choose to list only the first author followed by the phrase et al. (Note that there is a period after "al" in "et al." Also note that there is never a period after the "et" in "et al.").
